### EDUCATION

**Bachelor of Science in Biotechnology** May 2023  
*University of Maryland, Baltimore County*  
Relevant Coursework: Cell biology, Software Applications in Life Sciences, Biochemistry and Molecular Biology  
Baltimore, MD

**Associate of Science in Biological Sciences** May 2021  
*Montgomery College*  
Relevant Coursework: General Chemistry Laboratory II, Organic Chemistry Lab I and II, Principles of Biology Laboratory II, Genetics, Protein Biotechnology, Microbiology  
Rockville, MD

**Biomedical Engineering Pre-Major** Aug 2018 — May 2019  
*The Ohio State University*  
Relevant Coursework: General Chemistry Laboratory I, Introduction to Engineering, Calculus I  
Columbus, OH

---

### SKILLS

<b>Laboratory</b>	Gel Electrophoresis, PCR, NMR Spectroscopy
<b>Tools and Computer</b>	Office (Microsoft Word, Excel, Powerpoint), SolidWorks, Python
<b>Communication</b>	English, Spanish (fluent speaker)

---

### RELEVANT EXPERIENCE

**Department of Defense: Emerging Leaders in Biotechnology** Apr — Aug 2021  
*Mentor*  
Rockville, MD

- Guide mentees through the lab activities both remotely and in-person
- Support mentees with advice regarding school, careers, and general concerns
- Test enzymes with fluorescent biomarkers
- Plasmid transformation for antibiotic resistance to penicillin
- Prepare agar plates

---

### WORK EXPERIENCE

**Kung Fu Tea** Mar 2021 — Present  
*All Star and Trainer*

- Maintain a sanitary workspace
- Prepare drinks, teas, toppings in timely manner
- Attentive to order details and accommodations
- Assist with new-employee training

---

### ACTIVITIES

**Biotech Club** Aug 2021 — Present  
*University of Maryland, Baltimore County*
